**ocean  
business 2011**

The hands-on ocean technology exhibition and training forum  
National Oceanography Centre, Southampton, UK • 5 – 7 April 2011

# The hands-on ocean technology exhibition

incorporating in-classroom and on-water demonstration and training sessions

Organised by:

In partnership with:

Hosted by:

**National  
Oceanography Centre**  
NATURAL ENVIRONMENT RESEARCH COUNCIL

Over 4,000 visitors expected to attend

**Ocean Business started with a simple formula to deliver an event that successfully combines business with pleasure.** Now with the third outing approaching, the event is firmly established as one of the most important international events in the ocean technology calendar.

# BUSINESS + PLEASURE = Ocean Business 2011

## **An exhibition consisting of the world's leading manufacturers and suppliers**

The exhibition has doubled in size since its initial launch and now 300 of the world leading manufacturers and suppliers will be in attendance.

## **In-situ training and demonstration workshops**

More than just a static exhibition, Ocean Business provides delegates with an opportunity to actually test-drive equipment and systems with more than 150 hours of training and demonstration workshops to choose from.

## **A social event planned for every evening**

The ever important networking side of the event that keeps delegates and exhibitors together throughout the week – we have an event planned for every night!

## **Offshore Survey conference alongside**

A focused two day conference concerned with the technology and business issues in the global field of offshore surveying. [www.offshoresurvey.co.uk](http://www.offshoresurvey.co.uk)

## **Career and recruitment opportunities for students**

Students can benefit from the specialised Ocean Careers event, which offers endless recruitment and career opportunities and advice within the ocean technology, marine science and offshore industries. [www.oceancareers.org.uk](http://www.oceancareers.org.uk)
