

World Maritime Technology Conference

29 May – 1 June 2012
Lenexpo, Saint Petersburg, Russia

UNLOCK THE POTENTIAL OF THE RUSSIAN MARITIME INDUSTRY

→ International Exhibition → Prestigious Conference → Networking Opportunities

The prestigious 4th World Maritime Technology Conference (WMTC 2012) provides a valuable forum for experts from many of the different disciplines that make up the international maritime industry to come together to debate the professional and technical issues that effect the marine environment.

The World Maritime Technology Conference 2012 is endorsed by the Governor of Saint Petersburg, Valentina Matvienko, Chairman of Saint-Petersburg Legislative Assembly, V.A. Tulpanov, Vice-premier of the Russian Federation, I.I. Sechin, and has the support of the following ministries of the Russian Federation:

- Ministry of Education and Science
- Ministry of Defence
- Ministry of Industry and Trade
- Ministry of Natural Resources
- Ministry of Economic Development
- Ministry of Transport

Opportunities

Exhibiting in 2012

Taking stand space at WMTC 2012 guarantees to put your products and services in front of a targeted global audience from many of the different disciplines that make up the international maritime industry.

Stand space price: €453 per m²

Shell scheme price: €77 per m²

(shell scheme cost in addition to stand space)

Technical Conference

The Conference represents an excellent opportunity via its extensive technical programme to showcase the latest developments and thinking from the international maritime industry.

Sponsorship and Advertising

The WMTC 2012 Conference and Exhibition provides you with a unique environment, with a relevant audience, in which the right choice of sponsorship or advertising can deliver powerful results for your business.

Ensure your company stands out against competitors by investing in one of the many sponsorship and advertising opportunities available.

Social Programme

WMTC 2012 offers unrivalled networking opportunities for all attendees.

Over the three days of the event there will be a dedicated social programme to ensure you meet the people who are key to the shipbuilding, marine engineering & offshore industries.
