

Subsea Control and Data Acquisition (SCADA) Conference

Future Technology, Availability and Through Life Challenges

2 - 3 June 2010

Hilton Newcastle Gateshead Hotel

Bottle Bank

Gateshead

Newcastle upon Tyne

NE8 2AR

This international biennial conference in the field of Subsea Control and Data Acquisition (SCADA) is aimed at those engaged in remote control and monitoring of subsea systems. This conference, to be held in June 2010 in Newcastle, UK, provides a unique forum for the supplier and operator of subsea technology to exchange views and experiences.
